#### **891. Minutes of the meeting held on Thursday 29<sup>th</sup> May 2025 and Action Log**

These were agreed as a correct record.

#### **892. Matters arising**

No matters arising.

#### **893. 2024 Statutory Accounts and Directors Report**

The 2024 Statutory Accounts and Directors Report were presented to the Board. DF and SW confirmed that there were no qualifications to the Accounts and that the auditors AC Mole had complimented the Trust on its work. Trustees thanked DF and SW for their work on this matter. The Board adopted the Accounts and Directors Report and approved their inclusion as part of the AGM Pack for September.

SW

#### **894. 2025 Annual General Meeting**

The Board received the AGM Pack for 27 September 2025. It was noted that the meeting would begin at 10 AM in the Small Hall at Bishops Lydeard Village Hall. John Waters would provide Members with an update on Heritage Carriages Restoration. The format for the day would be the same as last year with the PLC and WSRA AGMs following on consecutively. The Board approved the pack for distribution to Members.

SW

#### **895. Corporate Risk Register**

MB introduced the latest revision of the Register for the Board together with his Actions paper. He summarised the background and, in conjunction with SW, was proposing a period of internal consultation on the updated content. It was agreed that comments should be returned to MB (copied to SW) by 30<sup>th</sup> September. In MB's absence on holiday, SW would coordinate the initial consultation process. Outputs would be

brought back to a subsequent Board meeting.

### **896. BL Visitor Centre.**

MT reminded Trustees of the background to this scheme. A Project Group had been established and had held a preliminary meeting. It was now necessary for the Board to sign off on the governance arrangements and to approve initial expenditure. The Board therefore considered the draft Terms of Reference for the Project Group and these were approved.

In terms of initial expenditure and costs, MT said that Trustees had already agreed to an initial £1000 for survey work. This was confirmed. It was also agreed that up to a further £3000 would be made available for the next phase of project development work. Subsequent expenditure over and above that limit would need to follow the newly approved Procurement Policy and be subject to competitive quotations and/or business case development. Progress to be reported at the next Board meeting.

MT

### **897. Covered Canopy-Bishops Lydeard**

SW reminded Trustees of the background to the scheme which now had added importance due to the need to provide covered accommodation for 6705. Chris Austin and he had worked on the specification and had engaged Rowan Joachim PLC Engineering Director in its development. The next step now was to seek a formal quotation from LHC architects for planning design and indicative construction costs.

LHC were being used because they had previously developed the proposals for the larger Gauge Museum extension and therefore already had extensive information about the footprint for the covered canopy and elements of its design. Going to competitive quotation for architectural input would be more costly, take more time and would require considerable additional work for project sponsors. This was accepted by the Board.

The Board agreed that LHC should be approached with a formal proposal to develop planning design and construction costs.

### **898. Arts Council Accreditation Visit**

All the documents required for accreditation have been submitted to the Arts Council. They will visit on 15<sup>th</sup> October 2025.

SW/IDC

### **899. Frequency, day and timing of future Board meetings**

The Board agreed an internal consultation process as to which days they would like to attend together with, timing and the frequency of the meetings. Conclusions and a preferred approach would be agreed at the next meeting. MT to coordinate.
